

# Golden Key Awards | 2022

## Best Operations Team of the Year

### Description:

This award recognises the often unsung heroes of our industry - the operations and support teams who go that extra mile to help deliver insights to businesses. Award winning work could be a breakout improvement, and/or dealing with unforeseen issues and/or simply business-as-usual done exceedingly well. Operations teams could be responsible for data collection, project management, data processing or analysis.

The project should have been initiated and concluded between **Dec 2021 and Dec 2022**.

### Evaluation Criteria:

#### *Overall*

1. Presentation quality - written entry form and face-to-face presentation, Finesse, clarity and brevity.

#### *Award Specific*

1. Operations team and its team and functioning at the heart of the success story or risk mitigation

2. Robustness/scalability of the practices, process(es) or solution deployed

3. Exceptional contribution by individuals/team work

4. Proactiveness

5. Final tangible impact on project completion or business result, attributable to the actions of the Operations team.

### Who can apply:

Research Agencies, Client organisations, Analytics companies, Research based consulting organisations
